JACKIE LEARDI

Jackie Leardi has teaching in her blood. Her mother, grandmother and great-grandmother were all teachers. However, Jackie wanted to combine her passion to teach with her entrepreneurial spirit and her strong desire to empower others.

She was very blessed to find the ideal model for entrepreneurial women when she was introduced to The Advancing With Us Team.

For the past 8 years Jackie has combined her love of teaching with her entrepreneurial spirit and her strong desire to empower others. Her team has partnered with a major pharmaceutical company with a focus on wellness and doing business on a budget. This partnership allows Jackie and her teammates to create significant income from home without a large investment, no inventory and no risk. Best of all they enjoy the satisfaction of helping people GO GREEN.

As an exclusive Advancing With Us Presenter, Jackie broadcasts live webcasts in both English and French twice a week for her teammates in both Canada and the US. She is passionate about empowering others to take control of their financial future while enjoying balance, peace of mind and a healthier, greener home.

Jackie can be reached at jackieleardi@wedeliverwellness.com or (home) 519-736-1786 or (cell) 519-984-1786. You can visit her website at www.jackieis.advancingwithus.com

Are you the next WEF Featured Member?

The Feature Member Program was introduced in September 2006 to provide added value to your WEF membership. A draw is held each month to select the members to be featured in the subsequent month.

We encourage all members to contact the Featured Members sometime during the month to find out more, refer someone or just send a friendly email to acknowledge and thank them.

DIANE SANTING

Diane Santing is a Financial Advisor with Edward Jones. She has been with Edward Jones for 7 years at her Branch on Lesperance Rd in Tecumseh. Prior to returning home she worked with Berkshire Securities in Toronto. Diane enjoys the benefits of working one on one with her clients. Identify the goal, map out the strategy and monitor the plan, these are key qualities to the service she strives for. Time with her family is very important. Gerry and Diane combined have 4 children that keep them very busy.
