Jenn was born and raised in the Windsor area and graduated from St. Clair College in 1998 as a Level II Preventive Dental Assistant. She worked chairside clinically and later as a treatment coordinator in an orthodontic practice. After five years in the field of dentistry, she embarked on a second career and decided to start her own business so she could stay home with her daughter. As an International Marketing Consultant Jenn promotes a residual income home-based business opportunity centered on referring people to Usana's health and wellness products.

She is able to provide her clients with a wide variety of pharmaceutical grade nutritional supplements, preservative free skin/personal care products and certified low glycemic foods. Usana has over 133 000 active consultants and an additional 70 000 customers across the globe in 14 different markets. Jenn's business is unique because she focuses on promoting personal development and leadership amongst her team. She values empowering people to take control of their health and finances.

Jenn sits on the WEF Board of Directors, she is the Ambassador for the Business Network International (BNI) for South Western Ontario and is the acting Vice President in her Rose City BNI chapter. Some of her interests include reading, golfing and photography.
